D.U. Journal of Marketing is an annual journal of the Department of Marketing, University of Dhaka, published in June. The journal contains research-based papers which are original in nature in the field of business in general and marketing in particular.

The Editorial Board initially determines the articles suitable for review based on the set criteria for the journal. The Editorial Board then selects the expert reviewers for each article. On the basis of their comments, the Editorial Board decides whether the articles will be published.

Note that the Editorial Board does not bear any responsibility for the views and opinions expressed by the author(s).
